1. Pass SPM/SPMV with at least three (3) credits including Mathematics; OR
2. Pass Unified Examination Certificate (UEC) with at least Grade B in three (3) subjects; OR
3. Pass STAM rank “Maqbul” and Pass Mathematics at SPM level (or equivalent); OR
4. Pass SPM/SPMV with at least Grade B in three (3) subjects including Mathematics; OR
5. Obtained Certificate (MQF level 3) in relevant field of Higher Education (PPT) which is recognized by Malaysian Government with 2.00 minimum CGPA; OR
6. Obtained Certificate in Vocational/Technical Community College Certificate/Sijil Kemahiran (SKM level 3) AND Pass SPM with at least one (1) credit; OR
7. Any equivalent qualification recognized by the Malaysian Government AND Additional Requirements: (only for Diploma in Architecture)
- Diploma in Quantity Surveying
- Diploma in Interior Design
- Diploma in Landscape Architecture
- Diploma in Geomatics

Program Information
1st Year
- Introduction to Architecture
- Traditional Architecture
- Architectural History
- Computer Aided Design (CAD) I
- Drawing
- Architectural Engineering
- Building Services
- Co-curricular activities
2nd Year
- Architectural Design I
- Architectural Design II
- Building Materials and Construction
- Building Services
- Co-curricular activities
3rd Year
- Architectural Design III
- Research Project
- Co-curricular activities

Course Syllabus
1st Year
- Introduction to Architecture
- Traditional Architecture
- Architectural History
- Computer Aided Design (CAD) I
- Drawing
- Architectural Engineering
- Building Services
